As Untitled is owned by a fellow Artist we understand the problems that Artists are constantly encountering and we aim to tackle these issues by eliminating the hefty commissions and exhibition fees that Galleries and Art Fairs often charge, therefore we are proud to announce the launch of an Art Fair with a difference, **The Untitled Artists Fair - Chelsea.**

Our background in providing Artists with means of exhibiting and self representation in our Affordable Gallery Spaces has given Untitled the extensive experience required in offering you this unique exhibition opportunity.

Located on the World Famous King's Road, Chelsea Old town Hall provides an ideal and charming backdrop for this dynamic new event. As all Artists involved will share the responsibility of promotion with Untitled we will offer this event to Artists at a far lower price.

As location is key this Amazing & Historic Landmark within Chelsea is truly an ideal setting for attracting Art Buying Clientele as the Town Hall is surrounded by such affluent areas as **Belgravia, Knightsbridge, Kensington** and **Sloane Square.**

In order for Artists to take advantage of all available opportunities as well as to avoid clashing with other similar events, Untitled launches on Friday **29th May 2009** with Friday the **Champagne Reception** Private View followed by **Saturday & Sunday** exhibition days Saturday & Sunday.

All applicants work will be considered by the Untitled Selection Committee in order to present the highest possible standard of work by simply emailing 4 jpeg images [PC format and under 300k in size] of **Painting, Drawing, Sculpture, Digital, Ceramics, Textiles, Prints & Photography** to the provided email address. Alternatively Artists can email a website link where their works can be viewed or post photographs or a CD*

In order to be more cost efficient all stands can be shared between Studios or Artists.

Artists' collective investment & promotion allows Untitled to coordinate on your behalf bringing you an Artist Run Fair Tailored to the Artists Specific Needs.
